Norfolk Man's Fruitless Search  
If For Missing Father.

BELIEVED TO BE ALIVE

Visitors to the Medical College Appointed—The Maryland Virginia Oyster Distributors' Association Elected—Examined For Commissions—The Winans Davis Monument.

(Special to Virginian-Pilot.)

Richmond, Va., April 8.—Governor Tyler to-day received a letter from Mr. J. M. Wilson, No. 117 Windsor avenue, making further inquiries regarding his father, John T. Wilson, the Chesterfield farmer whose mysterious disappearance in this city on or about the 7th day of March last has been recorded in this correspondence.

Nothing has been heard of Wilson. His son writes that on last Tuesday before returning to Norfolk he was induced against his will to consult a fortune teller regarding his father's disappearance. While talking to the woman her husband came in and told him he had met a man about ten days before who answered the description of his father, and who gave the name of Wilson. The meeting took place near the exposition grounds. Wilson had been drinking. He said he was going to Norfolk to visit his son. Wilson says he visited the locality where his father was said to have been seen, but could discover nobody who had met him.

HAD BEEN ROBBED.  
A gentleman called at the Governor's office to-day and stated that he had recently overheard a conversation which led him to believe that Wilson had been robbed. He would not allow his name to be used, but he is quite a well known citizen. He desired what further information could be obtained regarding the disappearance of Wilson.

The police are making no special efforts to discover the missing man, but are keeping a lookout for him. A detective told me to-day he thought Wilson was alive.

VISITORS APPOINTED.

Governor Tyler to-day appointed Captain Philip Thornton, Mayor of Newport News, now commanding Company C, Fourth Virginia, and Dr. Joel Crawford, of Sussex county, members of the Board of Visitors of the Medical College of Virginia. The former succeeds Dr. William P. McGuire, of Winchester, resigned, and the latter Colonel E. B. Berkeley, of Pulaski, removed from the State. The appointments are for life. They were recommended by Dr. George Ben. Johnston, and Dr. Christopher Thompson, of the faculty of the college. Captain Thornton will soon be mustered out of the service of the United States. His commission will issue after that time.

THE OYSTER DISPUTE.

The Governor has written Governor Lowndes, of Maryland, a letter that will probably result in the settlement of the dispute between the two States growing out of the arrest of Maryland oyster-men, now held as prisoners in Accomac county. In fact, the trouble was practically settled by the Attorney General of Maryland and Virginia at their conference in Washington one week ago. They have had some correspondence since and the result is that each has advised his Executive as to the best course to be pursued. Governor Tyler has accepted Mr. Melton's suggestions and made a proposition to Governor Lowndes, which he will not make public at present. It is thought the Governors will reach an agreement whereby troubles can be avoided in the future. The prisoners will probably be released and the captured vessels surrendered.

Governor Tyler has been notified that Washington Rickard, a fugitive from justice, wanted in Christfield, Md., has been apprehended in Accomac county and is being held awaiting the action of the Maryland authorities.

MILITARY ELECTIONS.

The adjutant general's office has been notified of the following elections in the naval volunteer division: Harry Lee Cannon, lieutenant commander; Charles Harrison Banks, junior lieutenant. The latter resigned from the position of adjutant to accept a place in the line. Cannon was formerly a navigator of the battalion and is a most competent officer.

An examining board, consisting of Lieutenant Colonel Jo Lane Stern, Major W. E. Simons and Captain W. W. Barrow, to-day examined for commissions the following officers of the Navy Cavalry troop: Captain, Henry C. Land; First Lieutenant, Robert C. Thompson; and Second Lieutenant, Robert E. Ferguson.

## THE MODERN DOCTOR.

Is a shrewd man. He studies carefully the best interests of his patients and only recommends such drugs and beverages as are absolutely pure and contain nothing whatever that can possibly injure the most delicate stomach. Thousands of doctors throughout this country have unhesitatingly recommended the use of the G. O. TAYLOR Old Rye and Bourbon Whiskies, bottled by Chester H. Graves & Sons, of Boston, Mass., for medicinal purposes, as they not only stimulate, but build up the entire system. If you are so inclined, don't drink the ordinary cheap rye, but step in to the MONTICELLO HOTEL, and ask for the G. O. T. Pure Rye and Bourbon Whiskies, and you get the best and purest beverage distilled. See that you get the genuine and you are sure of getting it if you go to the MONTICELLO HOTEL.

TO SUCCEED MR. HYDE.

It is pretty generally understood that Rev. Mr. A. H. Kippin, of Canada, who preached at the Third Presbyterian Church on Sunday last, will be recommended by the committee to supply the pulpit of Rev. Dr. C. B. Hyde, who will be away for awhile during the spring and summer. Mr. Kippin made a most favorable impression on the congregation last Sunday.

## PETERSBURG.

Right of Way For R. P. & C. Railroad.

Foot Tournament in Dinwiddie County—An Eloquent Preacher—Fugitive From Justice Apprehended—Going to Pacific Coast.

Petersburg, Va., April 8.—The commissioners appointed to assess the damage for a right of way through various tracts of land in Dinwiddie county for the Richmond, Petersburg and Carolina railroad were engaged on Wednesday and Thursday hearing testimony. By consent of counsel on both sides further hearing of testimony and argument was postponed to Monday next before the commissioners in Petersburg. Messrs. Wm. B. McIlwaine and R. B. Davis represent the property owners and Mr. Wm. R. McKenney the railroad company.

A FOOT TOURNAMENT.

The school of Miss Minnie Holden, in Dinwiddie county, closed on the 6th instant and in honor of the occasion there was a big foot tournament.

The most successful knight was Master Bruce Beach, who crowned Miss Mattie Harrison as queen of love and beauty. After the royal set had been danced at the schoolhouse, the many friends of Miss Holden were invited to the residence of Mrs. Tucker, where dancing was kept up until weary hours. Among the couples were Mr. Reuben Thrift with Miss Alice Goodwin, Judge Boissieu with Miss Minnie Holden, Mr. Bennie Boissieu with Miss Willie Tucker, Mr. Wade Goodwin with Miss Anna Poarch, Mr. Charlie Thrift with Miss Mattie Harrison, Mr. George Hitchcock with Miss Maud Neaves.

REV. SPARKS W. MELTON.

Rev. Sparks W. Melton is preaching with rare eloquence and power at the First Baptist Church. The congregations are large and the interest in the meeting is growing. Mr. Melton preached to-day at 12 o'clock, but to-night, on account of his being Saturday, there were no services. Mr. Melton has a most attractive personality, resembling Congressman Bailey, of Texas, and is winning in his pulpit manner. No doubt the meetings will grow in interest, as already there seems to be deep spiritual power.

FUGITIVE FROM JUSTICE.

Two officers arrived here yesterday afternoon with a negro named William Smith, who was arrested at Butterworth's, Dinwiddie county, yesterday. The accused broke out of the county jail of Amelia county last December, where he was confined awaiting trial for forgery. He was admitted to jail here to await the action of the Amelia authorities.

GOING TO PACIFIC COAST.

James Campbell, evangelist, who has been preaching both in this city and Matine, Chesterfield county, for the past few days, left yesterday for New York, where he will be joined by Dr. Matthews, of Belfast, another evangelist. The two will leave New York for the Pacific coast to do evangelistic work.

MEETINGS IN PRINCE GEORGE.

The Democrats of Prince George county held district meetings yesterday and nominated delegates to the county convention to be held at the county courthouse on April 18th instant, which will nominate candidates for the different county offices.

LYNCHBURG.

Lynchburg, Va., April 8.—Rev. James K. Clayton, pastor of the Cleveland Avenue Methodist Episcopal Church, died to-day at the Home and Retreat, of pneumonia. Mr. Clayton was a native of Brunswick county, 35 years of age, unmarried, and joined the Virginia Conference about two years ago, when he was sent here to his first charge. Besides the church here, he had another at Dearington and one some eight or nine miles in the county.

## TOWN OF SUFFOLK

A Wreck on the Atlantic & Danville Railroad.

Mrs. Goodrich Dead—The Municipal Primary—A Double Marriage—Sleepy Hole Democrats—The Mascot Club—Lost a Leg—Personal.

(Special to Virginian-Pilot.)

Suffolk, Va., April 8.—A mixed train on the Atlantic and Danville road was wrecked this morning five miles west of Suffolk. Eight freight cars were thrown from the track. The two passenger coaches held on and none of the human freight was much hurt. One passenger who stopped here said they got a little shaking up. That was all. When the trucks of the head box car jumped the coupling pin which held it to the locomotive broke. It was engine 14. Traffic was delayed for some hours.

MRS. GOODRICH DEAD.

Mrs. Ernest Goodrich, formerly Miss Lizzie Kelly, of Suffolk, died this morning at her home in Smithfield, after a brief illness. The funeral will be conducted at 3 o'clock Sunday afternoon. The deceased was a communicant of Christ Episcopal Church.

Miss Kelly was 25 years of age. She was married to Mr. Goodrich in Suffolk on October 27, 1887, by Rev. W. A. Barr, then rector of St. Paul's. The deceased was a daughter of the late Jacob Kelly and a sister of Mr. Jake Kelly, of Nansemond county. She was a well liked young lady. She formerly taught school.

THE MUNICIPAL PRIMARY.

Following is a synopsis of the regulations adopted by the Executive Committee of Suffolk for the Democratic primary to name candidates for Mayor and Councilmen, to be voted for May 25th:

The primary shall be conducted April 17, between 8 a. m. and 7 p. m., by three judges to be hereafter chosen by the committee. The name of any Democratic white voter can be presented as a candidate to the committee before 5 p. m. April 12. No name for Councilman shall be printed on the ballots unless a person proposed express a willingness to accept.

It takes a majority of all votes cast to nominate for Mayor, but the nine highest Councilmen shall be declared nominated. For Mayor electors designate first and second choice. After all the two highest candidates shall have been dropped and the second choice votes be added to the first choice of those remaining, then if no candidate have a majority the primary will be held another day.

WHO SHALL VOTE.

Persons who have heretofore voted the Democratic ticket in town and county elections, who shall be white and who pledge to vote for the party nominees, are eligible to vote. Three minutes are allowed in the preparation of ballots. The voter may call on a judge to assist him. One friend of each candidate for Mayor shall be allowed to see the count. The candidates for Mayor must put up \$20 three days before the election. The election will be held in the City Hall. The plan adopted by the committee is considered an equitable one.

FRIDAY CLUB'S RECEPTION.

The Friday Afternoon Club was tendered a delightful reception last evening at the home of Dr. and Mrs. C. J. Riddick, on Pinner street. It was the club's first annual reception and a pleasant function it was. Miss Florence Tinsley played violin solos. Mayo Carpenter recited and Mrs. R. H. Butler gave a reading. Refreshments were served at 11 o'clock. An adjournment was had about 12. There were about half a hundred guests.

A DOUBLE MARRIAGE.

Cards are out for a double marriage, that of whose principals are Suffolk young people. Miss Emily Busby, daughter of Mr. and Mrs. C. B. Busby, of Suffolk, will wed Mr. Augustine Hutcherson, of Portsmouth, and Miss Mary Gertrude Hutcherson, of Portsmouth, daughter of Mr. and Mrs. William H. Hutcherson. It will be the bride of Mr. C. B. Busby, Jr., of Suffolk. The marriage of sister and brother to sister and brother will happen next Wednesday afternoon at 4 o'clock, at Leslie and Owens streets, Park View, Portsmouth.

Here are the initial officers: Miss Jennie Ballard, president; Miss Lillian Jones, secretary; Miss Ruth Marshall, treasurer. ## NEWPORT NEWS.

Mr. Wade Blick Dies of Asphyxiation.

His Death Attributed to Accident—Corporal Ellington's Case—The Export Trade—The Newport News-Suffolk Steamship Line Again.

Newport News, Va., April 8.—Young Wade Blick, who was rendered unconscious at the Philadelphia Hotel yesterday morning by gas asphyxiation, died this morning at 7 o'clock, and the remains will be sent to his home in Dinwiddie county this afternoon for interment.

Subsequent developments make it doubtful whether or not young Blick actually committed suicide. In fact, the attending physicians and Coroner Gary are of the opinion that the young man was asphyxiated through his ignorance of gas and workings of the gas fixtures.

Coroner Gary held an inquest this morning and the jury's verdict was that Blick came to his death by gas asphyxiation, probably by accident.

CORPORAL ELLINGTON'S CASE.

Mayor Moss to-day received from the Judge Advocate General of the army in Washington a letter copy of the proceedings of the court-martial which sentenced Corporal W. C. Ellington, of this city, attached to Company K, Fourth United States Immunes, on the charge of improper conduct towards a superior officer.

Mayor Moss wrote for this record at the request of Captain C. C. Berkeley, Company K, who is interested in securing Ellington's pardon, and desires to review the proceedings of the trial board.

This afternoon the Mayor mailed the report to the captain, who will receive it in about a week.

The following are reasons for believing that Ellington will receive his pardon before summer closes.

THE EXPORT TRADE.

Statistics show that of all of the exports shipped abroad from this country, one-fourth, of 25 per cent, went out from Newport News. This is a nothing short of remarkable when the life of the port is taken into consideration, yet the prospect for the next ten years is much brighter than the past ten years and phenomenal shipments are looked for at no distant date.

New York is the center of the export commerce of the country was in the calendar year 1889, 41.1 per cent. and last year only 37.4 per cent.

The share of Philadelphia in 1889 was 3.8 per cent. and in 1898 4.7 per cent. That of Baltimore was 7.5 per cent. in 1889 and 9.2 per cent. in 1898. That of Newport News was .76 of 1 per cent. in 1889 and 2.5 per cent. in 1898.

In other words the diversion of trade from New York in the last ten years can be clearly traced in the gains of the Southern Atlantic ports.

**"THE HUB"**  
374 Main Street,  
NORFOLK.

## THE FAIRNESS OF "THE HUB'S" METHODS

—has been the cause of "The Hub's" remarkable success. The equity of its principles will strike you at once. It has its patrons interests at heart as well as its own. From start to finish there must be satisfaction with every sale—satisfaction at any cost. "The Hub" stands ready to buy back anything it sells when you are not entirely pleased with your purchase. All-wool is never used in its commercial sense, but only when such is the truth. Only the most trustworthy qualities are bought and everything has to pass the careful scrutiny of intelligent eyes.

These have been the principles of "The Hub" since it opened its doors less than four years ago. It is on these principles that it has built up a trade second to none south of Baltimore.

Its ability to buy in open market at the very lowest prices enables it to lead in value-giving. With all these advantages the people of Norfolk and vicinity have rewarded it with their patronage.

"The Hub" has not stopped growing!
